PRELIMINARY AMENDMENT

Sir:

Prior to calculation of the filing fee and examination, please
amend the above-identified application as follows:

IN THE CLAIMS

Please amend the claims as follows:

3. (amended) An electroluminescent device as claimed in claim 1,
characterized in that the electroluminescent device is a display
device of the passive matrix type wherein the plurality of first
electrodes is a plurality of row electrodes,
the second electrode layer comprises a plurality of independently
addressable column electrodes which cross the row electrodes and
the relief pattern.

4. (amended) A battery-operated and/or hand-held electronic
device, such as a mobile phone, provided with an EL display device
as claimed in claim 1.
